MEMORANDUM FOR THE RECORD

Morning Meeting of 31 October 1967

DD/I reported on the readout of weekend overhead reconnaissance of North Vietnam. The Director asked him for an informal paper highlighting the details by noon.

Godfrey considered that International Red Cross efforts to extricate the mercenaries have gone down the drain as a result of the Congolese army attack.

Godfrey called the Director's attention to the morning news report on the mortar shelling of the palace in Saigon.

In reply to a question Kent said that the blue cover NIE 11-8 will be ready for distribution this evening or tomorrow.

ADD/S discussed the status of recruiting, noting that the President of Brown is now asking that the Agency recruit on campus as scheduled and that the President of Oberlin has informed the students that the College will not tolerate interference with recruitment activities.

ADD/S said that the Agency achieved 106 percent of its goal for the Combined Federal Campaign, or nearly \$210,000.

Carver recalled that ONE's memorandum on security conditions in Saigon during the Vice President's visit was quite accurate in noting the likelihood of mortar attack.

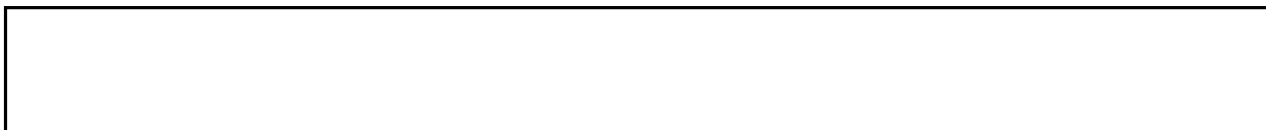

Warner said that Senator Mundt is quite agreeable to a briefing in lieu of a paper on the Agency's comparative effort against Communist China in recent years.

Executive Director noted the receipt of a letter to the Director from Charlie Schultze commenting on the Agency's program memoranda. BOB wants an analysis of the community's effort on the Soviet ABM problem, specifically identifying collection requirements. Terms of reference are enclosed, and the deadline is four to six weeks. Bross said that [redacted] is working on this. Executive Director said that he will disseminate copies of the BOB request to the appropriate interested parties.
